

Listening to K-LOVE, on 88.1 FM in Omaha, NE is a daily inspiration and a highlight of my day.

The music is uplifting and positive.

The messages are uplifting and give me hope in a turbulent world.

I personally know a number of people that also listen to K-Love

in my area, but it is so great to know that thousands of people are listening all over the world.

K-Love is like no other station in the area.

It would be a very sad day if K-LOVE ever did go off the air.

The service K-LOVE provides is in the public interest.

Lives are changed listening to the messages and music.

Hope is restored when we hear about all the positive things happening in our world.

Thank you for taking the time to read my comments and for your consideration. Please keep K-LOVE on the air as it is now.
